

Hello-Homecoming Celebration Inaugurated

Before a crowd of 500 students, the students of the university officially opened the Hello-Homecoming Celebration. Barking out a loud Hello, the "75's" of the R. O. T. C. unit welcomed chief Carne-Whiat, (President George Thomas) to the Ute tribe. The "chief" was presented with the Indian war bonnet by Doris Snyder, on the President's left.

The large photograph shows a portion of the crowd present at the inaugural ceremony.
