A Spirited Mascot

Transfer Student Plays Hoyo For U Ball Games

The Redskin football team has a new member! Hoyo, the mascot of Uteville, will be on hand Saturday night to cheer on the team and entertain with an Indian dance. Our little mascot goes by the name

of Carl Henry; he is a transfer student from Wisconsin University and is majoring in drama.

Hoyo is being sponsored by Alpha Phi Omega, a service fraternity. According to Jay N. Thorpe, president of Alpha Phi, their current project is the encouragement of school spirit at games and on the campus.

Hoyo has agreed to help them out and will be at every game this year. (The donation of an Indian blanket would be appreciated; if you have one available, contact the Graduate Manager's Office, 402 Union Building.)
